views/month Generate a cookie banner See also In accordance with international privacy law, if your Wix website collects and uses personal information from users, you need a privacy policy. This is what Wix recommends in their own privacy policy: Wix cannot provide legal advice to users or their users, but we encourage all Users to publish and maintain clear and comprehensive privacy policies on their user websites, in accordance with applicable laws and regulations, and that all users of users read and ensure that they agree to it. How to add a privacy policy to your Wix website Here's where our Privacy and Cookie Policy Generator comes in very handy: customizable from hundreds of clauses, available in 8 languages and automatically updated as the law changes, our generator you have a legal document create in minutes and integrate seamlessly with your Wix website. Our privacy policy contains all the elements that are generally required in many regions and services, and they are created by attorneys, monitored by our attorneys and hosted on our servers to ensure that they are always up-to-date with the latest legal changes and requirements from third parties. Once you've generated your privacy With iubenda, you have two ways to integrate it on your Wix website. You either: Please note that whichever method you choose, it's a common recommended way to place the link to your privacy policy in the footer of your website (as we show you below). This method requires an iubenda Pro/Ultra License, but it also works with the Wix free subscription. Open your iubenda dashboard, click [Your Website] &gt; Privacy and Cookie Policy &gt; Embed the PRIVACY Policy URL, and copy the PRIVACY Policy URL you find under the Use a Direct Link tab. Now go to your Wix editor, add a text link to your footer (or edit an existing text) and name the Privacy Policy. Paste the Privacy Policy URL into the Link Settings Web Address field, and you're done. Direct text embeds this method requires an iubenda Pro/Ultra license and a Wix-paid subscription. The direct text embed option makes your privacy policy look like it's part of your own Wix site. Open your iubenda dashboard, click [Your Website] &gt; Privacy and Cookie Policies &gt; Embed, and copy the code under embed the text on the body tab. Now go to your Wix editor, click Menus &amp;gt; Pages &amp;gt; Add Page, name the Privacy Policy, and then click Done (not to show the page link in the main menu, select Hide from the menu). Then click &gt; More &gt; Custom Embeds &gt; Custom Elements, and then add your iubenda snippet. Finally, add a text link to your footer (or edit an existing one) and name it Privacy Policy. Choose the privacy policy page in the link settings, and you're done. See also How to generate a privacy policy with iubendaCookie banner for Wix websites websites
